

# Displaying Evidence in Courtroom #10

Judge Elinore Marsh Stormer

# Technology resource overview

Court technology features:

- 60-inch viewing screen with annotation capability
- Document camera, laptop ports, DVD/CD player, VCR, cassette player
- Six monitors for juror view
- Witness monitor with annotation capability
- Bench monitor for judge view
- Wireless headsets for the hearing impaired
- Child witness station

# The Remote Control

Use the large, touchscreen remote control to select a source to send. This located at the podium and can operate wirelessly.

# Document Camera

- ❑ Use the document camera to display photographs and documents admitted into evidence
- ❑ The document camera is located on the podium.
- ❑ The power button and controls are on the unit.
- ❑ Don't forget to take the lens cap off!

# Laptop connectivity

- ❑ Each counsel table has laptop connectivity.
- ❑ Laptops connect via a serial port for video and a 1/8" audio line (standard headphone line).
- ❑ Power is available.
- ❑ Laptops may also be plugged in at the podium.
- ❑ The Court has video and audio cables available for use.

# DVD/CD, VCR, Cassette

- ❑ Counsel may view videos and play sound through the court's system.
- ❑ For recorded depositions, the Court requires parties to submit an edited video for playback (i.e. the parties cannot use the court's system to manually edit out objections that have been sustained).
- ❑ The remote control allows counsel to pause, fast forward, rewind, etc.
- ❑ The judge controls the volume.

# Annotations

- ❑ Both a witness and counsel have the ability to annotate evidence place on display screens.
- ❑ The witness may annotate from the witness stand using his or her finger on the touch screen display.
- ❑ Counsel may annotate on the large display screen using the markers.
- ❑ All annotations will display on the judge and jurors' screens.

# Accessibility

- ❑ The Court has wireless microphones, including a lapel microphone, and headsets for the hearing impaired.
- ❑ These are available for use upon request.
