to register a civil case onto the
Settlement Week roster today!

To reduce the backlog of unresolved civil lawsuits, the Summit County Court of Common Pleas, General Division is encouraging all civil trial attorneys to bring their pending civil court cases to Settlement Week: a mediation strategy that encourages case settlement..

*The deadline for attorney submissions is Friday, September 1, 2023.

*Only civil cases that are currently pending in the Summit County Court of Common Pleas, General Division are eligible for participation.

*Efforts will be made to align experienced civil trial attorneys who are volunteering as mediators with cases associated to their areas of legal experience (e.g. contract disputes, personal injury, property disputes, workers compensation).
